Address:

5939 Ashwood Bluff Drive

Louisville, KY, 40207

Organization: Seven Counties Services, Inc.

General Comment

Mental health parity is vital for community health. Without parity, many individuals with chronic mental illnesses reach treatment limits that do not exist for physical healthcare coverage. Without access to consistent, quality treatment, individuals with mental illness will not become functioning, contributing members of our society. Please ensure that the Paul Wellstone Parity Bill continues to provide access for all Americans who have health coverage - and behavioral health issues.
